Skeletude is too dumb to tell that he manipulate everyone to accuse me Imfao.

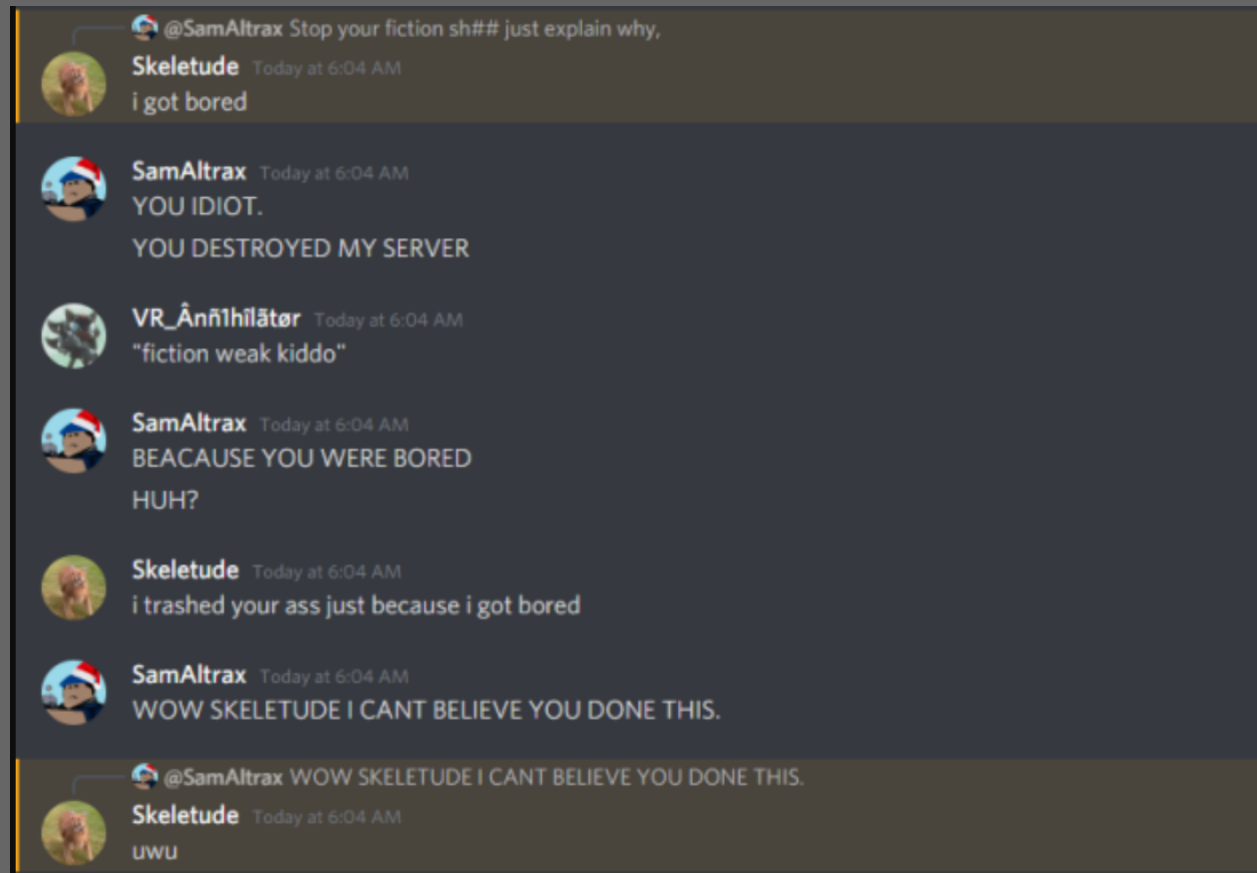

Skeletude raided smileycat63's server before he raided mine.

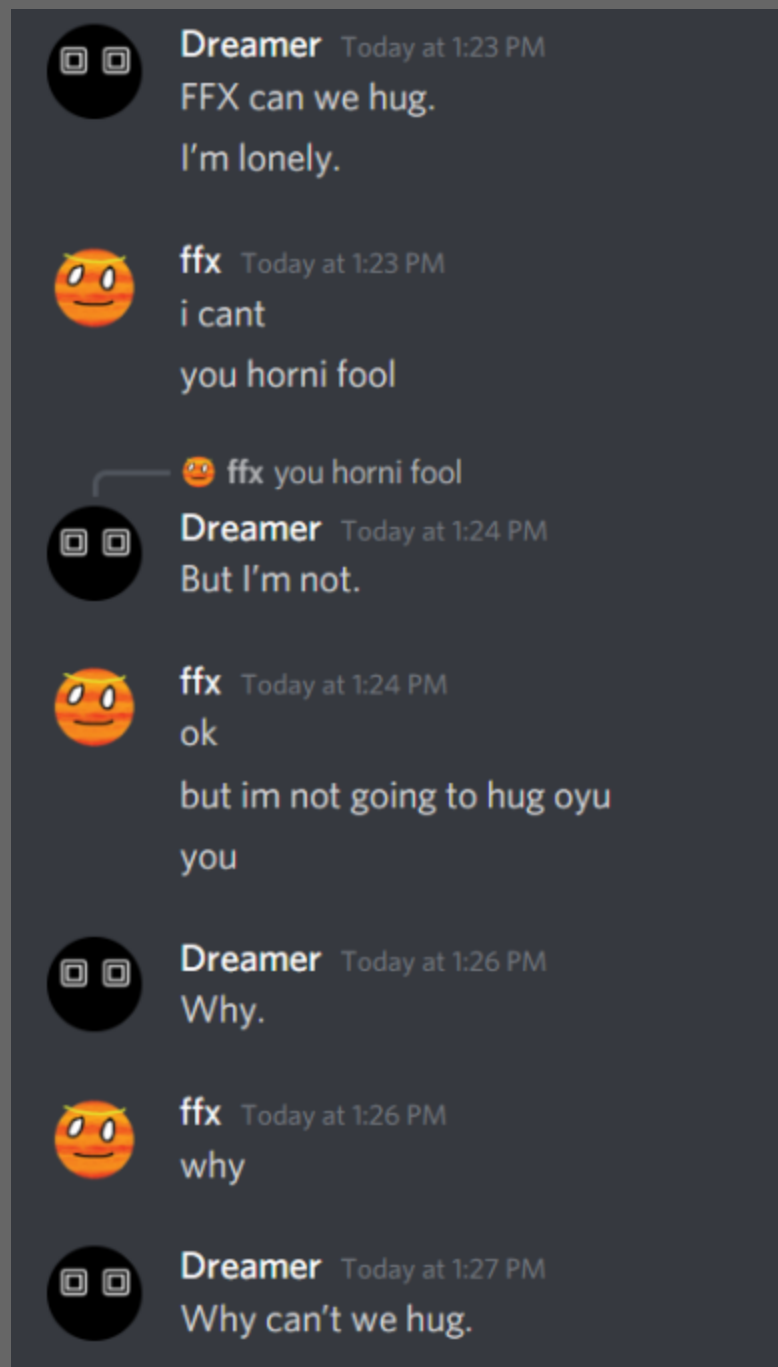

One of it's friends Frodo, really told me that Skeletude is the one who did this.

Skeletude said “i trashed your ass because i got bored” means “I raided your server because i got bored”

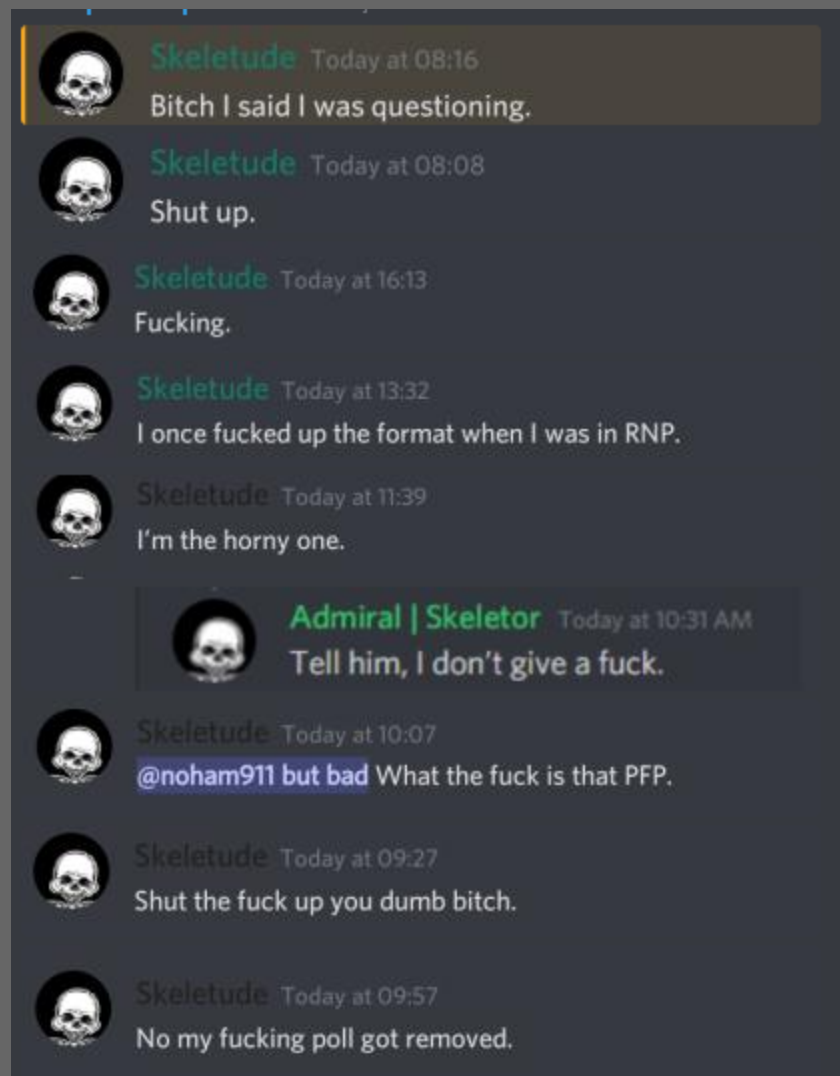

He is trying forcing FFX to be gay. = Sexual harrassment or predatory.

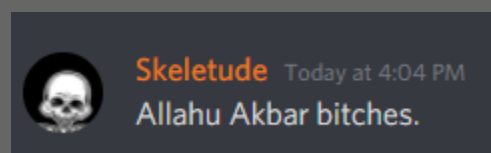

Skeletude being horny

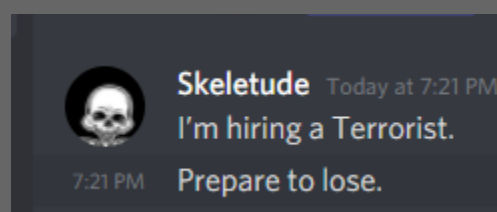

The real evidence of him and his friends raiding the server.

Skeletude got caught being a son of a bitch

Racist Skeletude.

Skeletude is a criminal kinda.

Skeletude Today at 7:44 PM
I'd rather wage war with China.

Racist Skeletude 2

wat

ru gonna do now? @Skeletude

Skeletude Today at 7:53 PM
Blow up a country.

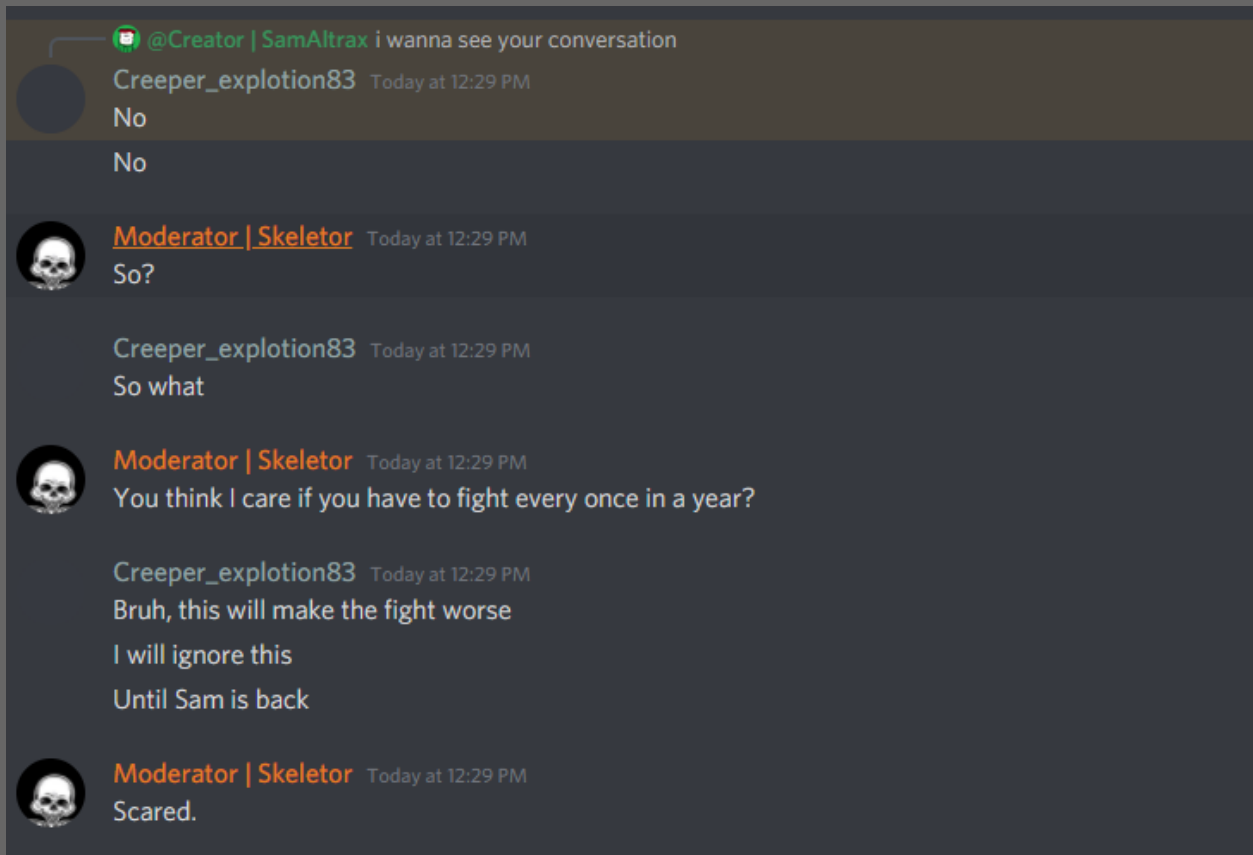

SamAltrax Today at 7:53 PM
what country is it?

Skeletude Today at 7:53 PM
Canada.

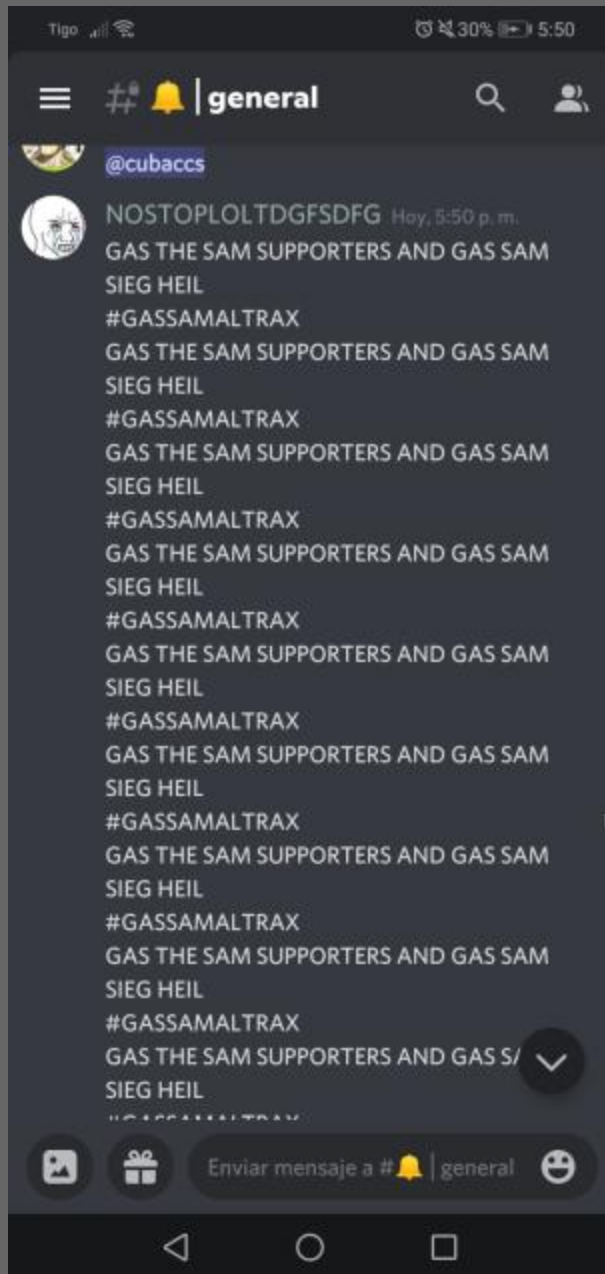

I don't know if this is racism alright but Skeletude did hate against Canada although he is American.

Skeletude making my friend wanna fight = toxicity.

Sexual harrassment and false accuse against me. I am not gay and one of it's friends is harrasing.

One of it's friends harassing me again but now it's sus.

This is just the beginning Skeletude. I am not going to hold back if you're still targeting me and my friends.
