Law Codes Regulations Of Affairs [LCRA] Designed and written by The\_Administrive

# Introduction :

Law codes is the primary rule of the foundation, rather than the server rules these laws are more senior and anyone who violates it will be punished depending on the law codes punishment doctrine or instantly.

## Law Sector 1 : [Global-law]

LS1 - 1.You shall never use any kind of exploits or cheats in order to become more powerful than other individuals or players.

LS1 - 2.You may not criticize or judge any affairs in the foundation. That's called rouge annoyance. You can criticize or judge if allowed by a high ranking personnel had the level of Clearance - 4+.

LS1 - 3.Breaching any entity[ENT] is very prohibited. You may only do that for experiment or other containment purposes and you may need permission Clearance - 4+ personnel first.

LS1 - 4.As a government personnel [GPL] you are not authorized to exit the facility except for other purposes or affairs from a clearance - 4+ or you are Clearance - 3+.

LS1 - 5.In case of a raid non combatives must seek shelter which is on the emergence shelter. For

combatives you are needed to guard the emergency shelter and if you are insecure of it you can also go to the emergency shelter and stay inside it, guarding all the non combatives.

LS1 - 6. Betrayal towards the foundation isn't allowed. Anyone who would do that would handle a big risk of getting designated for termination.

LS1 - 7. You may not beg people for ranks except they gave you it.

LS1 - 8. No nfsu or other sexuality content based on horny genders and sexualities. NO NUDE CONTENTS.

## Law Sector 2 : [Admin-law]

LS2 - 11. You may never use admin commands or admin abusing towards a person even if it's a hostile, neutral ally or others. You may only use admin towards exploiters.

LS2 - 12. Admin commands are only allowed and it is lawful when you use it against exploiters.

LS2 - 13. When you have admin perms you are authorized to manage the server depending which command is given by the Administrive.

LS2 - 14. Commands that were very annoying and trollage'd. Like spinning, flinging, killing tp'ing or etc isn't allowed except, in the case of a showcase

video or allowed by the Administrive. For the showcase video you can only do it on a private server.

LS2 - 15.You are authorized to ban law breakers violators depending on these ban guidelines.

## Ban Guidelines :

- Exploits : 365 days which means 1 year.
- Glitch abuse : 28 days which means 4 weeks.
- law codes violation : depends on the warning system.
- sexual or innaporpriate content : 182.5 days which means half year.

## Human Rights laws [Human Rights]

HRT - 11.As a female you can't suspend a male for hitting you. If you hit him you're also gonna get suspended. Except the male is hostile or he started first or ordered by a clearance - 4+ to hit him.

HRT - 2.As a male you can't suspend a female for hitting you. If you hit him you're also gonna get suspended. Except the female is hostile or he started first or ordered by a clearance - 4+ to hit her.

HRT - 3.You can't abuse other humans for no reason. It is inhumane to do so, except the human is designated for testing or violating law codes.

HRT - 4.You may respect higher ranks and obey both law codes and human rights laws because without it. Chaos will come and destroy everything, which is... Anarchy.

HRT - 5.LGBTQIA or furry references aren't allowed. Don't get me wrong this happens because multiple furies and LGBTQIA people are considered rude and not nice. They also sexually harrass people for no reason that's why we are denying all LGBTQIA protests against the Foundation.

HRT - 6. You're also NOT ALLOWED to stalk other people or it will cause a designation of permanent ban for you.

## Containment Researching - A

CR-A 1 : During a containment research, a raid riot or other potential threats are announced by a Clearance - 4+. In that case a researcher must leave their tests taking the Class - G and the guard to the emergence shelter immediately.

CR-A 2 : A security guard had authority to terminate a Class - G or Gatherable Subject, if they reached warning -3 and were :

1. Violating the Law Codes Regulations Of Affairs [LCRA].
2. Becoming hostile and attempted to terminate a government personnel.
3. Failure to obey a lawful order.
4. Disobeying any present authorized researcher in the Foundation that is given the orders lawful.
5. Becoming unlawful.
6. Running from a test
7. Going into a restricted area
8. Protesting.
9. Vandalizing.
10. Mocking a government personnel.

CR-A 3 : During a containment research which considered tests, a researcher isn't allowed to abuse a Class - G if the researcher weren't Clearance - 2+ due of human rights committee existing.

# Containment Researching - B

CR-B 1 : All Researchers are required to follow the law codes regulations more and follow the test procedures.
