SPECIAL CONTAINMENT PROCEDURES FOUNDATION  
**NO ETHICS REGULATIONS**  
SECURE. CONTAIN. PROTECT

---

*This document was created for the purpose of educating personnel on the rules and boundaries of No Ethics Day. Despite the name indicating that all rules are voided, that is not fully the case. Failure to follow these rules during No Ethics will result in a ban for the duration of the No Ethics Event.*

No Ethics will begin on;

June 26th, at 9:00 AM EST.

No Ethics will conclude on;

June 26th, at 9:00 PM EST.

## What am I allowed to do?

From the beginning of the event, all of the following will take effect;

- I. All firearm regulations will be entirely voided.
- II. All uniform policies will be entirely voided.
- III. All grammar requirements will be entirely voided.
- IV. All maturity requirements will be entirely voided.
- V. All restricted areas will be able to be entered by all personnel.
- VI. All vehicle regulations will be entirely voided.
- VII. All departmental gun/tool/uniform/juggernaut restrictions will be voided (If able to).
- VIII. Alarms will be allowed to be used, however should not be spammed or constantly used in a malicious manner.
- IX. Breaching, or use of any SCP.
- X. Detaining users is allowed, however if you are asked to stop by the person you are detaining, you must let them go.

## What am I not allowed to do?

- I. No Ethics does not expand to any games or platforms outside of Pathos.
- II. Killing any Security Class 4+ Personnel, as well as any MaD members (Including QA Testers) will result in a ban for the duration of the No Ethics Event. This is voided if said SC-4+/MaD personnel shoots you first.
- III. Break ROBLOX ToS.
- IV. Exploiting, glitching, or any loopholes related to such.
- V. Attempting to break or lag the server in any way.
- VI. Spawn Camping.
- VII. Breaching classified documents/information.
- VIII. Calling lockdowns of any area, unless permitted by an Installation Director or above.
- IX. Oxygen depletions may not be used during No Ethics; only after.

- X. Only those ranking Security Class-4 may use terminals but may not abuse those.
- XI. Admin commands may not be abused in anyway besides giving weapons or armours.

## **I have special privileges, such as admin, what am I allowed to, or not allowed to do?**

- I. With admin, you may not kick, ban, or kill. Kick and Bans are exceptions when you are punishing those who break the No Ethics Regulations.
- II. For developers with O5 admin, you are allowed to use commands such as give, however you shouldn't do anything to attempt and break the server. (Giving everyone juggernauts, bringing everyone, etc.)

This No Ethics will last for the next 12 hours from the moment it begins. Any breaking regulations after No Ethics is over will result in severe punishment.

**Remember, No Ethics is supposed to be a fun event for all. Attempting to ruin other users' experience can and will result in expulsion from the event.**
